BLESSINGS DIRECTORY

After the 2008 Market Crash, our directory played a vital role in helping business owners connect and support each other.

SUMMER 2010 MISSION —God spoke clearly to my heart—go check on business owners door-to-door. Do not try to convert them, nor witness to them—just show them my love! In obedience to Him—got busy! We reached out to approximately 300 business owners in various areas. Encouraged many of them; too, received strange treatment from some. Even so, asked for their cards and flyers to distribute while out-and-about. Surprisingly, a number of owners did not know, nor support each other! Rather sad, as many were clueless about neighboring products & services—amazingly, some requested prayer. God had spoken more to my spirit—about what to do, and what not to do when entering businesses to introduce myself. Praise Him! One year later, coordinated **GGT 2011 Business Networking Event** to Video Tape & Air; however, it did not happen. Business owners were still hurting, new businesses that opened in 2010—months later, were closed. **OBEDIENCE** brings the **BLESSINGS! End of the 2011 Business Networking Event efforts, the AD AGENCY offer came forth exactly 1 yr after our 2010 Mission!** MBethel

BEACH TIME! RELAX! HAVE FUN!

Imagine this! The sun doesn't set until 7pm—you're on a budget and raising a child by yourself. Be spontaneous! Grab a simple, yet delicious dinner you can eat cold, pack it; slip on beachwear and bring a change for your child. Do the usual routine for pick-up after elementary school. Then, surprise your adorable one—and head straight to the Oceanside! ***Do dinner & homework!*** What an amazing, beautiful & refreshing atmosphere. A chance to bond, talk while having dinner—then, home work comes with great ease. Don't forget, walk in the water's edge and enjoy this special time. (Remember, bring lots of beach towels to cover car windows, step out of vehicle after doing so—allowing privacy for your child to change into beachwear.) Parents, the cost is minimal; but super beneficial. ***God Bless!***

Fine Artist ~ Robert McKnight

In 2009, God Given Talent connected to Robert McKnight. Found him to be quite fascinating, extremely knowledgeable about the art industry—and, a very talented Fine Artist. He shared about not getting much recognition for many years! And, there had been no public mention about his artistic work at the Miami Metro Zoo—where he created several rock formations for different animal compounds. GGT interviewed him on one of our TV Specials (60 Mins) taped at Miami Beach Oceanside and aired in Broward County several times. In addition, prepared and sent out a Press Release introducing him to several Media Outlets; distributed his promo flyers; and he attended an event where GGT Teams and Business Network Owners were at a major Bank Seminar in North Miami—after hours. This means we were locked inside the bank after 6pm. Wow! You can Google Robert McKnight, Fine Artist – Miami, FL to see how many doors have finally opened for him. MerdisBethel, GGT
